Morden, MB - The Morden Police Service and the Canada Border Services Agency (CBSA) completed a Joint Force Investigation on December 11, 2014. Members of the Regional Support Tactical Team, Morden Police Service and CBSA executed a warrant at a residence in Morden resulting in the arrests of two individuals and in police seizing over 100 grams of Amphetamine, Marijuana and Cannabis Resin.

22-year-old Leonard Abrams and 21-year-old Stephanie Nicole Hildebrandt have each been charged with:

- Importation of a Controlled Substance; and
- Three counts of Possession of a Controlled Substance.

Both accused are scheduled to appear in Morden Provincial Court in January of 2015.

The investigation was launched when CBSA officers at Vancouver International Mail Centre intercepted two suspected amphetamine parcels over a six-month period destined to the same subject and address in Morden. The Morden Police Service was subsequently notified and a joint investigation began which was followed by CBSA seizure at Winnipeg Air Cargo of another Morden-bound parcel containing amphetamine and addressed to the same subject.

This outcome is a direct result of collaboration between the law enforcement resources of the Morden Police Service and the CBSA. The CBSA works closely with local law enforcement partners to detect and

prevent illegal cross-border activity such as drug smuggling which endangers the safety of Canadian communities and generates profits for organized crime.

Police received another report of a scam where a lady received a call from a male indicating that her nephew was in trouble in Mexico and needed \$950.00. The victim sent the \$950.00 to an account by "Moneygram", thinking her nephew was in trouble. Police would like to remind the public once again never to give out any personal information or send money to anyone unless you are absolutely sure the request is legitimate.

December 10th, 2014

Police received a 911 call from a resident advising that someone was banging on his door. Police attended to find two male individuals and a female who were all drinking and arguing. Police mediated the situation and it appeared that everything was settled, but were called back to the residence a short time after. Police arrested a 52 year old male under the Intoxicated Persons Detention Act and lodged him in cells until sober. He was released without any charges.

December 12th, 2014

Police received a call of a pedestrian motor vehicle accident at the intersection of Mountain Street and Gilmour Street in Morden. Police attended and found the 13 year old to be conscious and breathing but complained of a head injury. The youth was walking north on the west sidewalk along Gilmour Street. A vehicle was stopped on Gilmour Street facing east waiting to cross Mountain Street. The youth thought it was safe to cross the intersection thinking the driver saw him, but the vehicle proceeded to pull ahead contacting the victim. An ambulance was dispatched and the youth was transported to Boundary Trails Health Centre for further observation.

December 13th, 2014

A 911 call was received at approximately 4:50am this date reporting a female being assaulted by her ex-boyfriend. While attending, police received another call advising that an intoxicated female was walking down 11th Street in Morden and was observed entering a home. Police attended to the residence and found a female walking down the sidewalk in the area who was very unsteady on her feet. Police spoke with the woman who showed the usual signs of intoxication. The woman was asked to remove her hands from her pockets and when she did, a large kitchen knife fell out of her pocket onto the ground. The individual was handcuffed for officer safety and detained for investigational purposes. The female initially reported that she was assaulted by her ex-boyfriend but upon further investigation, it was determined that the ex-boyfriend simply locked her out of his residence. The 23 year old female was lodged in cells until sober and released later without charges.

December 14th, 2014

A 32 year old male driver from Morden is facing a charge of Driving while Disqualified after being issued a 24 hour suspension of his driver's license. At approximately 1:45am this date, police stopped a vehicle and observed the driver to have a slight odor of liquor on his breath. A demand was made for the driver to provide a sample of his breath on a roadside screening device which registered a warning. As a result, the

driver's license was suspended for 24 hours. An hour later, police observed this same vehicle with the same driver travelling down Thornhill Street in Morden. Police stopped the vehicle and confirmed it was in fact the same person. The driver indicated he returned to his vehicle to get a lighter and thought since he was there, he would drive the vehicle home. The driver was charged with driving while disqualified and his vehicle was impounded for 30 days.

Police received a 911 call of a vehicle that lost control in the 400 block of Nelson Street in Morden and crashed between a couple of houses. Witnesses observed the occupants of the vehicle bolt from the scene and were last seen headed south on Nelson Street. Police attended and observed skid marks headed in a north-east direction leading from the middle of Nelson Street up onto a yard and to the south-east of a residence. The suspect vehicle hit the corner of one house, ran into a car on the driveway and then came to rest between two homes. Inside the vehicle was an open bottle of liquor on the floor of the rear seat area. Traffic Accident investigators were called to investigate the scene to determine the speed of the suspect vehicle. It was determined the vehicle was north bound on Nelson Street and travelling at a fast rate of speed. The vehicle did not appear to stop at the stop sign on Gilmour Street as evident from marks on the pavement. An exact speed of the vehicle will be determined once accident investigators have completed their investigation. Witnesses indicate there were kids playing in the area at the time of this incident and a young child playing on a driveway across the street. Through investigation, police arrested an 18 year old Winkler male near the scene who was determined to be the driver of the vehicle. The driver provided breath samples which were analyzed at 120 and 110 mg%. The driver is charged with dangerous operation of a motor vehicle, impaired driving, drive over .08, disobey stop sign, drive without driver's liability insurance and unlawful transportation of liquor. He will be appearing in Morden Provincial Court in November.

September 5th, 2014

The Morden Police Service has begun its School Safety Enforcement Program once again for the new school year. The program is funded by Manitoba Public Insurance that pays for additional officers to patrol the school zones during the school day. The purpose of this program was to enhance the presence of officers already in and around the school zones to detect infractions – particularly infractions related to school buses and school zones (such as passing stopped school buses, failing to yield right of way to pedestrians at marked corridors, passing vehicles stopped for pedestrians, distracted driving offences, failure to wear a seatbelt and speeding). Police issued a total of 6 tickets this date in school zones including 2 charges for using a cellular telephone or other hand-operated electronic device while driving and 4 charges for speeding in the new 30km/hr. school zones. Police will be participating in this program at various times throughout the school year.

September 6th, 2014

Police had authority to stop a vehicle to search a person and the vehicle as a result of Project Denver. Part of the conditions of release for the accused was that he was to submit to a search of his person and any vehicle he was in at anytime. The accused individual did not have any illegal substances on him but two females in the vehicle were in possession of a small quantity of marihuana. A 27 year old and 34 year old female from Morden were issued a warning for possession of a controlled substance.

[Friendly Reminders for Back to School](#)

Another school year is upon us and with that, The Morden Police Service would like to remind the public that streets will be getting busy with students on their way to and from school. Drivers should be aware of the pedestrian crosswalks and corridors and be prepared to stop. It is not recommended that drivers stop in the middle of the street/highway to allow pedestrians to cross at uncontrolled intersections. Although this might seem like a courteous gesture, this can cause more of a hazard as other drivers may not be aware that someone is crossing. Pedestrians also have a responsibility to allow drivers adequate time to stop. Before stepping off the curb and into the intersection, ensure that traffic sees you and will be able to stop.

Be aware of school buses preparing to stop as well. Motorists are required to stop when the emergency lights on school buses are activated, both following and approaching school buses. Drivers are reminded that they are to stop no less than 5 metres from the school bus when its lights are activated and remain stopped until the lights are shut off. One must wait until the emergency lights are deactivated before travel may be resumed.

This is the first year with the new **Reduced Speed School Zones** around our schools. Speeds have been reduced from 50km/hr. to 30km/hr. in and around most schools within Morden. The areas of reduced speed are well marked and will be enforced from September-June, Monday to Friday, 8:00am-5:00pm. The reason for reducing speeds around the schools is obviously to make things safer. Reduced speeds allows for quicker reaction times by drivers. In addition to the regular patrols in and around the schools, Morden Police Service will once again be participating in the **School Safety Enforcement Program** sponsored by Manitoba Public Insurance. The purpose of this program is to enhance the presence of officers already in and around the school zones to detect infractions – particularly infractions related to school buses and school zones (such as passing stopped school buses, failing to yield right of way to pedestrians at marked corridors, passing vehicles stopped for pedestrians, distracted driving offences, failure to wear a seatbelt and speeding).

Parents are asked to avoid stopping in the middle of the streets or double-parking when dropping their children off at the schools. This creates a hazard for both your child and the motorist when vehicles are stopping in the middle of the roadway and students having to walk through traffic and parked vehicles. There is student drop off zones by Ecole Morden Middle School on 4th Street on both the east and west sides in signed areas. Students walking or cycling are to obey the traffic laws as well. Cyclists must stop at the stop signs and use hand signals so motorists know which way they are turning. Please cycle in single file along the right hand curb and allow vehicles stopping distance before crossing the roadway. Students walking to and from school must use the sidewalks where available to avoid vehicles having to drive around them.

A reminder of the bicycle helmet law requiring children under 18 years of age to wear an approved bicycle helmet when operating a bicycle, as a passenger on a bicycle, or when riding in a trailer attached to a bicycle. Parents of children under the age of 14 are responsible and could be penalized for their child's failure to comply; the parent or guardian who *knowingly* allows their child to ride without a bicycle helmet may be ticketed. Youth between the ages of 14-18 may be fined directly. The fine for failing to wear a bicycle helmet is \$63.10.

Police received a driving complaint of a vehicle travelling east bound from Manitou to Morden at around 4:00pm this date, weaving in and out of its lane. A witness stated the vehicle was currently parked in the Tim Hortons parking lot in Morden. Policed attended and observed a vehicle matching the description parked on the south side of the building. Police checked the license plate which came back inactive. Approximately 20 minutes later, the vehicle was observed leaving the parking lot driving slowly down the service road at speeds of less than 10km/hr. Police followed the vehicle at which time it turned west onto Hwy.#3. Police activated emergency lights but the vehicle continued driving at very slow speeds. Police activated the siren a couple of times before the vehicle pulled over and stopped. The driver exited the vehicle and was observed showing signs of impairment along with a strong odor of liquor on his breath. The driver was asked for his driver's license and registration but continued to play with the volume and thermostat controls in the vehicle. Police observed two cans of open beer in the centre console of the vehicle. The driver advised that he did not have his license with him but was the registered owner of the vehicle. He was arrested for impaired driving and subsequent breath tests resulted in readings of 140 and 130mg%. The driver was on a conditional release from Stony Mountain Correctional Institution with a parole condition to abstain from the consumption of alcohol and was also prohibited Canada wide from driving and suspended from driving in the Province of Manitoba. The 57 year old Killarney resident is charged with driving impaired, driving over .08, drive disqualified, drive an unregistered vehicle, drive suspended and carry liquor in a vehicle contrary to the Liquor and Gaming Control Act. Due to the accused being on parole, a Warrant of Apprehension and Suspension was issued by Correction Service Canada. The accused was remanded into custody and transported to the Winnipeg Remand Centre.

June 8th, 2014

Police received a driving complaint around 1:34am this date regarding a vehicle that was driving erratically in Morden. Police caught up with the vehicle and spoke with the driver who identified himself by name. The driver showed signs of impairment and had an odor of liquor on his breath. A roadside screening request was made and the test resulted in a fail. The driver was transported back to the Morden Police Service for further breath tests resulting in readings of 100 and 90mg%. Police retrieved a wallet from the vehicle that had a driver's license with a name different from what the driver originally provided. The photo portion of the driver's license matched the description of the driver. The driver admitted he gave a false name to police because he is disqualified from driving. He is also on probation from a previous charge of theft under \$5000.00. The 18 year old driver from Winkler is charged with 1 count of impaired driving, 1 count of drive over .08, 1 count of obstruct peace officer (providing false name) and 1 count of breach of probation.
