Seconded – Ted Fransen

Carried

**3.0 Council Meeting on May 6, 2014**

Council met on May 6 and discussed the role of the Police Board and how it is running. They are happy with the way things are currently going.

Glen Ritchie asked about the 911 process and why it seems police do not attend every call. Chief Neduzak explained that member will attend every call that we receive. He will contact 911 dispatch in regards to their policy of dispatching police. Chief Neduzak will report back to the Police Board at the next meeting.

**4.0 Foot and Bike Patrols**

Chief Neduzak explained that we have recently started the Bike and Foot Patrols. There has been positive feedback from both members of Morden Police and the citizens of Morden. Chief Neduzak also informed us that a recent bike patrol led police in catching local petty thieves.

**5.0 Issues from the Public**

Council Member Maurice Butler spoke on the Police Ball that was held in April. Mr. Butler stated that was a great opportunity for officers to have a great night out in support of a great cause. Around \$14,000 was raised for Special Olympics.

Mr. Butler also thought that the foot and bike patrols were a great idea in building good relationships with members that they might not run into otherwise.

Glen Ritchie asked about the retired Ford Crown Victoria. Chief Neduzak informed him that the vehicle would soon be up for sale. Heather Francis confirmed that the City of Morden had a special policy on how to proceed with this.

Motion to Move In Camera: Heather Francis, Brian Minaker (Carried)

Next Meeting: September 10, 2014 at 7:00 p.m.
