Nil

6.0 Executive Reports

A: Chief's Reports – The chief gave a brief COVID update. He advised that we have a good supply of PPE masks, and that the office is continuing to take complaints over the phone and CR checks are being asked to complete on-line if possible. He stated that he reports to the province, justice, and public health once a week of any incidents. We receive reports from the RCMP through the Canadian Borders of anyone you have crossed the border and have to be self-quarantine and be followed up with. He advised that our members are back to regular scheduling. The office continues to sanitize. All and all during COVID everything has gone very well. The chief updated the board about a new drug Purple Heroin, which consists of fentanyl, meth and heroin. He advised the officers have attended many overdose calls. Cst. Steven Prentice is here and is field training with 2 of the members. He will head back in the fall has planned to finish up and graduate. He is doing very well.

- a. Strategic Plan Update- The police board was given a print out of the plan. The Chief gave a brief update. He advised the report would be updated quarterly. See reports.
